

STROLL AROUND
THE SQUARE
IN
CUMMING

Gladyse K. Barrett

Stroll Around the Square

I paraphrase the philosophy of William Franklin Townsend, the former editor of The Dahlonega Nugget.

"If you see a spelling or punctuation error in this account it will not worry me - also it wont hurt you or in anyway do you harm. I just had a desire to relate the history of people and places in Cumming as I remember them and to do it in my own way."
